EDUCATION

University of Georgia, Institute of Artificial Intelligence — Athens, GA
Bachelor of Arts, Cognitive Science | Minor in Educational Psychology — May 2027
Dean's List(2025), New Media Certificate, Hope Scholar, National Action Council for Minorities in Engineering Scholar

RELEVANT COURSEWORK

Software Development, Software Engineering, Web Development, Intro to Cognitive Science, Motivation Foundations for Education, Object-Oriented Programming (OOP), Full Stack Development

TECHNICAL SKILLS & CERTIFICATION

Programming Languages: CSS, HTML, Java, JavaScript, Python, React
Operating Systems: macOS, Windows
Software: Adobe Illustrator, Adobe Photoshop, AutoCAD, GitHub, Google Workspace, Microsoft 365, VS Code, Figma
Certification: IBM Generative AI for Software Development(2025), Autodesk Fusion 360 Certified User(2024), Microsoft Technology Associate HTML5 Application Development Fundamentals(2023)

PROJECT EXPERIENCE

Responsive Design Website | Project — August 2025 - Present
- Analyzed user needs through research to inform the design and informational architecture of a responsive website.
- Developed and designed a responsive website using HTML, CSS, and JavaScript, prioritizing user experience and usability.

Full Stack Web Development Project | *Team Lead* — July 2025 - August 2025
- Managed a team, developed a responsive, full-stack website, and an SQL database using Visual Studio Code.
- Created a user-friendly interface to track food recipes and ingredients, demonstrating skills in full-stack development, JavaScript, and database management.
- Applied principles of Software Engineering and Web Development to create a functional design solution.

Oconee Hill Cemetery | *Researcher* — July 2023 - August 2023
- Collaborated with local historians and archivists to conduct historical research to document and preserve grave site records, demonstrating data collection and organization skills.

RELEVANT EXPERIENCE

Powerhouse Talent | *Dance Instructor* | Griffin, GA — June 2025 - August 2025
- Managed and led a diverse group of 20, overseeing progress and providing constructive feedback to improve technical skills and meet project milestones for the final showcase.

Jimmie Lee Smith Community Center | *Volunteer* | Stockbridge, GA — June 2025 - August 2025
- Supervised and facilitated daily activities for groups of 30+ children, resulting in a 95% participation rate in planned education and recreational programs promoting teamwork, leadership, and creativity.

UGA Engineer and Design Bootcamp | *Extern* | Atlanta, GA — May 2024 - August 2024
- Developed and prototyped an engineering solution using Autodesk Fusion 360 and conducted technical interviews with faculty and industry professionals, applying feedback to refine project design.

CAMPUS & COMMUNITY INVOLVEMENT

Experience UGA | *Student Ambassador* | Athens, GA — January 2024 - Present
- Served as the first on-campus ambassador for 100 field trips annually, welcoming and guiding 5,000 PreK-12 students from Clarke County School District on the UGA campus are innovating accessibility of higher education, service-learning, and community engagement.

Pamoja Dance Company | *Dance Troupe Coordinator* | *Athens*, GA — January 2025 - Present
- Managed communication, event planning, and group logistics by collaborating with student organizations to perform at campus events, providing an artistic outlet and community that celebrates culture for students at UGA.

National Society of Black Engineers |*Pre-Collegiate Initiative Council* | Athens, GA — August 2023 - Present
- Mentored and inspired younger students in STEM and engineering fields through participation in NSBE Jr. programs, developing and leading educational workshops to foster interest in technology.

Women in Technology | *Member* | Athens, GA — August 2023 - Present
- Engaged in networking and professional development opportunities to further an interest in technology.
